

## **Job Title: Live in Carer**

**About the company:** Compassionate Heart is a leading nurse-led agency founded on the ethos of putting clients first in all that we do. Our head office is based in the vibrant city of Cambridge offering good travel network around the surrounding areas.

As a Live-in carer you will be based and working in a client home for a period of not less than 4 weeks at a time. It is a rewarding role which makes a difference in a client's life enabling them to remain independent at the comfort of their home.

### **Description of the role:**

- To provide an outcome-based support in meeting clients need
- To offer personalised care and support tailored to individual client
- To promote choice and control in promoting the client's independence

**Duties:** Some of the tasks that you will be required to undertake are as follows:

- Providing companionship
- Administering medication
- Preparing healthy meals
- Accompanying clients to appointments and social outings

### **Skill and Experience:**

- Experience of 1 year and above working as a live-in carer
- NVQ/QCF Health and Social Care - Level 2, 3 or above is desirable
- Good communication and written skills

**Culture:** Share the same values as we have i.e.,

- Compassion to recognise the individual need for enablement
- Commitment to support individual choice and control
- Consistently enabling clients to achieve their optimal outcome
- Co-operation and working in partnership ensuring continuity of care & support

**Benefits:** key benefits.

- Full board
- Free enhanced DBS
- Free PPE and weekly Covid 19 testing
- Free comprehensive induction support and ongoing career development
- Excellent 24/7 management support

### **Salary:**

£600- £700 a Week
