

## **Live-in Carer**

Compassionate Heart is a leading nurse-led agency founded on the ethos of putting clients first in all that we do. Our head office is based in the vibrant city of Cambridge offering good travel network to the surrounding region.

As a Live-in carer you will be based and working in a client home for a period of 2 to 4 weeks at a time depending on the client's need. It is a rewarding role which makes a difference in a client's life enabling them to remain independent in the comfort of their own home.

### **Description of the role:**

- To provide an outcome-based support in meeting clients need
- To offer personalised care and support tailored to individual client
- To promote choice and control in promoting the client's independence

### **Duties:**

- Providing companionship
- Administering medication
- Preparing healthy meals
- Accompanying clients to appointments and social outings
- Engaging and support with client with activities of choice and preferences

### **Experience:**

- Experience of 1 year and above working as a live-in carer
- Good communication and written skills
- Keen to detail with ability to prioritise task as you will be lone working

### **Benefits:**

- Full board
- Free enhanced DBS
- Free PPE
- Free comprehensive induction support and ongoing career development
- Excellent 24/7 Management support
